"Lagoonacy" Activities

Joe Anglin

The Marine Discovery Center and the Artists' Workshop invite you to Lagoonacy...where Arts and Sciences meet! The BIG event will be held on Saturday, March 16 from 10:00 A.M. - 4:00 P.M. at the Barracuda Blvd. facilities. We need a host of volunteers to make this a success! Our activities for this event include an Art Market, Art Demonstrations, Plein Air Painting, Children's Art Activities, and our Members' Annual Art Show. We also need donations of art books and art supplies for the Art Market. A volunteer sign-up sheet was passed around at the Feb. 6 Member Meeting, but we are still in need of additional members to sign up. (A copy of the sign-up sheet is available at the Artists' Workshop studios - entry wall.) The next meeting for volunteers will be Monday, Feb. 25, at 1:00 P.M. If you have questions, contact Joe Anglin at 386-409-9814 or email: janglin43@gmail.com.

Brannon Center Holiday Charity Ball

Charity Ball chairman Kaye Walker has given the children's program a donation of \$200 via the Artists' Workshop. Kaye thanks those of you who have given your support over the last 17 years with your art. The donation will be used for 2 scholarships to the summer camp, for children who would otherwise not be able to enjoy the exposure to an art program. Generosity promotes generosity!

From the President

Laura Robinson

Well, the countdown for Lagoonacy is well under way. It will be great fun and a wonderful opportunity for exposure of your art. If you have a tent and are not using it, consider lending it to a fellow artist for use on March 16. Artists' Workshop is not charging our members for space to display their art. We expect over a thousand visitors so there will be many eyes on your work.

If you have any art supplies or frames that are gathering dust and would like to donate them, bring them in to the studio starting on March 12. They will become part of the Art Market. All donations will be recognized with a donation letter for your taxes. We still need volunteers to help with Lagoonacy.

We will be installing a new hanging system on the cinder block walls at the studio to expand our picture hanging space. Let's have 100% participation for the Members' Show! Also, don't forget your ticket to the Members' Show luncheon. The judge will critique the show and award the prizes during this fun event.

I hope you are enjoying all the opportunities to take workshops, classes and show your work. The calendar enclosed with this newsletter should help you keep up with the dates.

Artists' Workshop programs are sponsored in part by a grant from the Cultural Council of Volusia County.

From the Editor:

Please note the new Artists' Workshop Spring Planning calendar on Page 4. It should help you keep track of our many upcoming activities and events over the next couple of months. *(You might want to print a copy of this page for your own reference and planning purposes.)*
