14th Annual High School Art Show

Regina Wise

If you were not at the last General Meeting, you may have missed an opportunity to donate to the High School Art Show, sponsored by the Artists' Workshop. Some members have already given and it is greatly appreciated!

So far, we have collected \$239 but we need about \$316 more to be on par with last year. We award one Best of Show and one Distinguished award in each of 3 categories and 3 Merit awards in each of 3 categories. Artists' Workshop has been the sponsor of the High School Show for the last 14 years and encouraging artists is part of our mission. Please send your check made out to Artists' Workshop to Regina Wise, 1220 Commodore Drive, New Smyrna Beach, FL 32168. Mark on the check that it is for the High School Show.

Every year we curate, assemble and hang the show at the New Smyrna Beach Regional Library. This year the work will be hung on May 1, 2013 and the Awards Ceremony will be May 5, 2013 at 2:15 P.M. Volunteers are also needed to help mount and hang the work. Contact Regina Wise 386-428-1876 or wiseregina@gmail.com. Please contact Ruby Jones, 386-427-9222, to help supply snacks for the award ceremony May 5th and deliver to the NSB Library by 1:00 P.M. Thank you.

Please keep us informed...

Do you know of any Artists' Workshop members who are sick, hospitalized, or recovering from illness/injury? If so, please pass along this information to our Corresponding Secretary, Barbara DiVone Cannon, at 407-925-6137, or email bcannon10@cfl.rr.com. Barbara will send greetings and well wishes from the Artists' Workshop so we can keep them foremost in our thoughts and prayers. Thank you.

In Memory

Art In Public Places

Jane Rix Owen

We have good news. We have much more space in the New Smyrna Library, including the entrance area, and the Library now has a place for sculpture as well. The Library is interested in following and valuing the exhibits and having us curate exhibits there by artists from both in and out of our workshop. They are really pleased with our present juried show. Our first regular show there will return Tuesday, May 28, after the High School Show goes down May 27. It is important that you tell me of the availability of your work as soon as possible and take the time remaining to prepare it in a way which does you, the Workshop, the Library, the art community, and the public justice. And yes, your work shows all that potential, so give it wings.

The work in many of our other venues (at right) has been partially replaced or held over instead of being mechanically turned over during extended holidays as scheduled, so there are openings right now as you are taking work out of other venues and going through your inventory. So it is important that you email right away while the time is right for everyone. You've been preparing for this forever. This is your coach speaking. These venues can be thought of as public extensions of our gallery and studio, and fit theatres for our artistic mission and many visions. They are also great places for large works and mixed media pieces which might not fit the constraints of other venues, as well as for works of expected familiar formats. You have to play the game to really enjoy it.

Art is...Creation After School Art Program (A.S.A.P.): The A.S.A.P program is going strong and will continue through April and May. Work continues on the ceiling tiles for the Children's Section, NSB Library. Projects have included pottery, drawing, painting, printmaking, and silk screening. Tuesdays 4:30 - 6:30 P.M. Volunteers welcome.

Art is...Creation SUMMER CAMP is the last three weeks of June: From **June 10 - 14, Kids Create** (5 ½ to 5th Grade); and **Teen Extreme, June 17 - 21 & June 24 - 28**. Volunteers and Guest Instructors are needed. We already have children signed up and expect to double our numbers. Many will need financial assistance. Last year we had 54 children and sponsored 20. We want to give every child who desires to be at art camp the opportunity. Please help us make this art experience a life-changing event in a young artist's life.

Sponsorship is \$100 a week for one child. Other donation amounts are gratefully appreciated. Contact: Regina Wise, 386-428-1876 or go online to www.artiscreation.org to sponsor or donate.

Since this is the last President's Letter of my term, I would like to reflect on the experience. It has been a very intense but wonderful time of transition. This is a great organization and I am so proud to be a part of it. We have gone through a lot of change in the last two years and have tried some new things. Through all this evolution we will continue to search for a nice balance of change and tradition. Many thanks to all of you who have volunteered your time on the Board and other projects and activities during these past two years. What you are doing makes a difference and makes Artists' Workshop the special place that it is.

Our new slate of officers and chairpersons will bring fresh ideas on how to improve our organization. Joe Anglin has been a great support these last two years and will make a wonderful president.

Thank you for giving me the opportunity to serve as many have done before.

Sincerely,
Laura Robinson
