November Meeting Demo by
Mixed Media Artist:
Chris Peloquin

"The Artists' Workshop of New Smyrna Beach, Inc. strives to enrich the community by offering a supportive, vibrant environment which promotes opportunities to learn, create, exhibit and appreciate art."

ESTABLISHED 1958

Canaveral Seashore *Plein Air* Paint Out

Outstanding Florida weather, plenty of talented artists, patrons, sponsors, and many hard working volunteers combined to make the Fifth Annual Canaveral Seashore *Plein Air* Paint Out a great success. The Artists' Workshop Studios served as host site for the Wet Gallery as well as the Gala activities again this year. Many thanks to those who helped out with this effort. Also, congratulations to the three Artists' Workshop members who were selected as featured artists for this year's Canaveral *Plein Air* Paint Out: Christophe Cardot, Trish Vivera, and Ruth Vines.

The Artists' Workshop studios were transformed into the Canaveral Seashore *Plein Air* Wet Gallery during the October 6-11 Paint Out.

November Artist Demo: Chris Peloquin November 5, 2014

Our guest demonstrator at the November member meeting will be Chris Peloquin, an award winning collage and mixed media artist who has her work in many galleries from FL to VT. She is an instructor, presently at the Art League of Daytona, and gives workshops nationally. The majority of her work is drawing and painting on fabric and paper collage, which is adhered to a panel. She collages and then draws with charcoal onto the surface. Her subject matter ranges from faces and figures to landscapes and nature scenes. Her intent is to weave an autobiographical tapestry invoking and addressing universal issues such as philosophy, spirituality, sexuality, motherhood, and self-awareness.

Chris will be giving a workshop here on April 11 and 12., 2015.

From the President Joe Anglin

Dear Members,

Canaveral Paint Out Event Director, Nancy Malmberg (center), works with volunteers and patrons at the *Plein Air* Wet Gallery.

Some exciting developments are being planned for the Barracuda Blvd site. (Update at November Meeting.)

The annual Canaveral Paint Out was again held at the Artists' Workshop Studios October 6-11. Many attended the Wet Gallery set up for the week in the studios for the 26 *Plein Air* Artists. The Saturday Evening Gala attracted over 250 guests including the artists. Special thanks to all who helped during the week and for the adjustments made to accommodate this great NSB community event.

Our first 2014-15 Workshop is next week October 23-25. If you wish to join myself and others, there is room for you. Contact Carolyn Land, 386-290-5128, for the details prior to the 23rd.

I will take a few minutes at our November General Meeting and explain what has been going on with our land area around the Studios and present the next phase of amenity developments envisioned for our site in conjunction with the Marine Discovery Center and the Wildlife Foundation of Florida.

The Studios could soon be set within a beautiful environment with trees, walkways, waterfront and hill top vistas, and several new site program amenities. I think you will like the plans for our near future.

Feel a fresh new coolness in the air? Our season is underway, enjoy!

Artists' Workshop programs are sponsored in part by a grant from the Cultural Council of Volusia County.

From the Editor:

Please note: Due to my schedule, the November newsletter will be published a week later than normal. (It should be out around Nov. 24th.) The cutoff date for inputs for the November newsletter will be Wednesday, **November 19th**.
