The Artists' Workshop in conjunction with the Marine Discovery Center will be holding an Open House on Oct. 10 from 9:00 AM until 3:00 PM. For our part of this awareness raising event, we are planning to have a "Meet the Artist" activity. The Artists' Workshop is going to have its first ever entry in the annual Halifax Art Festival which is held on Beach Street in Daytona. This year the show will be held on Nov. 7 and 8. We will have a tent to display paintings for sale as well as an information table to promote our organization and encourage people to become a member. If you would like to have the opportunity to show your work and possibly sell a painting, we are asking that participants contribute \$15.00 to cover the cost of the entry fee. New Directory

Carolyn Land

The new 2015-2016 AWI Membership Directory (bright green cover) was mailed out to all members earlier this month. There is one correction

I would like to make to the calendar in the Directory. The Holiday Luncheon is set for December 15th. The Directory says it is a Wednesday. Oops! It is a Tuesday, (same time and place).

Quite a few Directories have been returned, mostly for people on vacation in the New Smyrna Beach area. The post office would not hold them with your mail. You can pick them up at the first meeting. They will be by the sign in table.

MEMBER NEWS

LION FISH WORKSHOP Jewelry Creations

In conjunction with a Marine Discovery Center workshop about the invasive Lion Fish, AWI artists Gail Waters, Katty Smith, Kathy O'Meara and Margaret Anglin gathered this past summer to harvest Lion Fish fins and spines for jewelry.

A few weeks later, after the fins and spines had dried out

and aired out, the artists met at AWI to crimp, glue, dye, and string the fins and spines into jewelry. The female staff members at MDC were each given a choice of a piece of jewelry to wear around MDC to stimulate discussion about the Lion Fish which are voraciously eating many of our native species of fish. It was great fun. (Margaret Anglin)

From the President

Liz Clayton

Dear Members,

This is going to be a very exciting year for The Artists' Workshop. I am honored to serve as your president and am so pleased to have such a hard working, forward thinking board to work with! As I attended many activities and meetings over the summer I was impressed with the hours of hard work that go into making our organization one of the best arts organizations in Florida! My goal as your president is to raise the level of awareness of The Artists' Workshop in our community, improve attendance at our gallery on Canal Street, increase our memberships, and offer more opportunities for developing the love of art in our youth and adults through art classes, workshops, lectures, and other activities at our studios and in the community.

Many people have already volunteered to make this happen, and I hope I can inspire many others to jump on board as well. Be watching for ways that you can help us make The Artists' Workshop a name that everyone knows!!

From the Editor:

Hope you had a wonderful summer! The Artists' Workshop has a great lineup of activities for the 2015-16 season. Please plan to join us for meetings, classes, workshops, and other events this year!

The cutoff date for inputs for the next (September) newsletter will be Wednesday, **September 9th**.
