From the President

Liz Clayton

I wish to thank the many people who came out in support of the open house the Artists' Workshop shared with the Marine Discovery Center on Oct. 10. It was definitely a successful team effort for both of our organizations. We took in some new members, several people signed up for a lionfish jewelry class; children had fun painting with golf balls and making clay animals; the face painting for Art is...Creation brought in a great deal of scholarship donations for the summer programs; and we were able to show off our studios. I am pleased to see so much enthusiasm and excitement in the Artists' Workshop. I can tell this is going to be a great year...and we are just getting started! gramclayton@gmail.com
