(below) One of the "Studio C" gallery walls.

I want to thank everyone who participated in our first ever tent at the Halifax Art Festival on Nov. 7th and 8th. There was enough great artwork to fill the tent without any room to spare! It was a good example of the quality of work that happens at the Artists' Workshop. Those members who were willing to sit at the tent talked to many people about our organization and passed out literature on membership, classes and workshops. This was the goal and we achieved it! I am also pleased with the response we got from the people who brought their work to our new "studio gallery." Cindy Kohring made it look great. It will also let any visitors see what we do. With so many hard-working volunteers in our organization and this level of participation, we will continue to "live long and prosper!"

Artists' Workshop programs are sponsored in part by a grant from the Cultural Council of Volusia County.

From the Editor:

Happy Thanksgiving! Hope to see you all at the Annual Holiday Luncheon, December 15th.

Please note: The cutoff date for inputs for the next (December) newsletter will be Wednesday, **December 9th**. We want to make sure all members are receiving our newsletters and email announcements. Please make sure we have your correct contact information on file.
