Landfill Harmonic Charitable Film Fundraiser and Silent Art Auction

A big "Thank You" goes out to all who promoted, supported, donated artwork, bought artwork, volunteered their time and labor, and attended the event on March 25, to create a wonderful opportunity for our fundraising benefit. We offer our deep gratitude to Valeh Levy for spearheading this event, and to our financial sponsor Radiology Associates, who sponsored the rental of the venue and the film for screening. We extend a very big thank you to talented AWI member, Trudy Havu, and her awesome team of volunteers, including Maggie Arndt, Rick Orr, Alicia Oestman, JoAnn Reilly, Jean Banas, and Kathy O'Meara, who organized and carried out the Silent Auction of Art which was a huge success!

He presented a check for more than \$2500 at the Spring Luncheon.

From the Gallery

JoAnne Reilly & Patrick Rausch

April opened with a Theme Show, "ONE MORE THAN TWO!" The Saturday, April 1 opening reception was well attended with over 60 attendees! We always enjoy the first night buzz of patrons, friends and artists chatting about the various and unique artwork decorating the walls and pedestals. Hope you were able to stop by and view the exhibit of unique works of art from graphic abstracts, detailed realistic oils, colorful originals, photography, a little bit of April foolery along with sculpture with character and purpose all available for purchase! Most artists chose to take the challenge requiring the use of THREE objects or features of any kind. Everyone was counting the objects contained in the paintings making one look closer at the artwork than usual. It was fun to hear the discoveries that an artist had five of something instead of the three. Gasp! The creative soul couldn't resist being an individual. It was all in good fun and no one was challenged with the number they preferred! April also saw extraordinary works of art sold in the Gallery!

Don't forget to join us for the May exhibit "MUCH ADO ABOUT ART", Wine Reception: 4 - 7 p.m. Sat., May 6. We will be accepting label info for the June exhibit "STARVING ARTISTS' SALE" beginning May 8 - 26th. Submit your info to: jrnbsb028@gmail.com (JoAnn Reilly, Gallery Chair). Looking forward to another wonderful exhibit of your talents! We love to exhibit your best work!

2017 - 2018 Gallery Preview: ...for those artists who plan to paint during the summer and sculpt beautiful works in clay.

SEPTEMBER 2017: "OUR ART INSTRUCTORS OPEN HOUSE" (Exclusive to Instructors)

OCTOBER 2017 - "MEMBERS' CREATIONS" (No Theme)

NOVEMBER 2017 - Theme: "THE DANCE OF LIGHT AND SHADOW" As we know, light and shadow create the illusion of shape and gives color to each form. The challenge here is how you see the contrasts, lines, and edges when creating artwork in your chosen media. Your choice of subject, media and style! First theme show this season. Illuminating!

DECEMBER 2017 - "THINK GRAND, CREATE SMALL" Judged exhibit of small art! Entry Fee TBD works no larger than 9" x 12" or 10" x 10". Two works may be submitted with those dimensions. (No Theme; Artists' Choice)

JANUARY 2018 - Theme: "DEPTH, DRAMA, & LUMINOSITY" Each element may be used individually or collectively to create an exciting work of art. As artist, we often try to create the illusion of a 3-D image with Depth. In addition, creating special lighting effects or Luminosity with high contrasts or soft glowing warm shades creates mood. Elements of drama or mystery heighten emotions for people to react or reflect on. Your choice of subject and media! This exhibit is open for IMAGES!

FEBRUARY 2018 - Theme: "NSB IN FULL LOCAL COLOR", This theme showcases the New Smyrna Beach and Florida lifestyle. With color all around us there are endless possibilities! Take a vacation in town, at the beach, or one of the many parks, heritage sites and activities this area presents to capture the moment Plein Air style! Snap some photos and paint studio style. Work clay into a sea creature. This exhibit is open for FIESTA!! Color it in High Definition!

MARCH 2018 - "MINDS EYE" (No Theme)

APRIL 2018 - Theme: "EVERYDAY LIFE" Inspired by a scene from daily life one could take an everyday situation or place and capture a timeless moment as to how or where one lives. Opportunities for figurative work along with beloved pets, observing the world that surrounds you are a few subjects to consider but no specific subject matter required. Use your favorite media and of course your style! It can be as simple as a favorite cup executed with your creative talents! The story is yours!

MAY 2018 - "RESTLESS ARTISTS" (No Theme)

JUNE 2018 - "SPECTACULAR ENDING" (No Theme)
