# From the President

Cheryl Faber

Hi All! I did my "welcome back" letter in last months newsletter, thinking that I would be seeing everyone at the September meeting, but Dorian and her very, very slow progress changed all of our plans. Weren't we lucky though, to have dodged that storm?!!!! Despite the delayed start, we are off and running with a full schedule of classes and workshops, and many opportunities to participate and exhibit at our Canal Street and Studio Galleries and at our various community outreaches. So many things to coordinate and make run smoothly!

I was thinking about all of the different people it takes to successfully run a non-profit organization like ours, and how easy it is to get lost in the details of making sure we are doing everything right. In thinking about that, it hit me that the most important thing that needs to be done in order to fulfill the mission that our founders envisioned, is to make sure that we offer quality classes and workshops and provide opportunities for our members and the community to learn. THAT, is the reason we exist...to provide those opportunities for learning in a safe, creative environment. THAT is the strength and uniqueness of Artists' Workshop within our community. We have spacious classrooms, great teachers and a variety of classes that we can provide, but, without our members attending and participating in all of these activities, it really doesn't matter. We want our membership to be happy and to like coming to the workshop....we want you to feel that it is a little bit like home! I know there is always room within any organization for improvement and growth, so I am asking that if you have any suggestions or concerns, that you share them with me or any member of my dedicated hard working board! We are always open to new ideas because we know that you are an important part of what makes Artists' Workshop so very special!

I am looking forward to us having a very full and active year!

Cheryl

## Community Exhibits

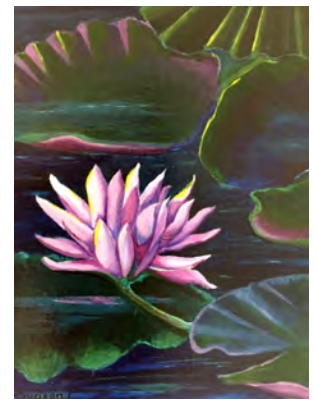

Bob & Patty Stinziano

There's a new exhibit at the Edgewater Library with the work of Suejean Kienke. Suejean's work is enjoyed in Michigan as well as here in Florida. Her paintings are mainly water colors, but she also paints with acrylics. She paints landscaping and flowers with warm inviting colors. Be sure to stop by and to see her wonderful art exhibit.

We are starting a new venue. It will be in the Trinity Evangelical Lutheran Church on Turnbull Bay Rd., in NSB. If you are interested in showing your art in this exhibit please contact Evy Okerstrom. We are always looking for artists to exhibit their art in AWI's Community Exhibits. Our contact information is always posted in our column in the newsletter.
