3. Mineral spirits/linseed oil will be supplied if you need them.

4. A set of brushes in various sizes, available at hobby/craft stores...make sure they are not too soft and wispy like you would use for water color

5. Stretched canvas , canvas board, or primed panel. Not to be over 18"x24" for beginners

6. Paper towels, pencil and eraser

7. If you are beginning and do not have a palette to mix your paints on, bring some waxed paper plates
