10th Anniversary NSB Plein Air Paint Out

Cheryl Faber

Once again, Artists' Workshop will be co-hosting this year's Plein Air Paint Out. This event will be held on the grounds of AWI and MDC from October 20-24, 2020. Twenty-one artists who have been involved in past Paint Outs will be returning to New Smyrna Beach, to once again, paint our lovely locations, provide free demonstrations, and mingle with the community. There are many ways to be involved with this event: either as a Patron or Sponsor, (which gets you into some fun private events!) as well as being a volunteer during that week. To find out more information about the Paint Out, access our website at www.NSBPaintOut.com. You can also email us at artistsworkshopNSB@gmail.com to ask questions or let us know you would like to get involved in any way and you will be contacted!

We are taking great pains to follow CDC guidelines so that everyone feels safe and still manages to have a great experience!

From the President

Cheryl Faber

Dear Members,

September is usually the start of a jam-packed year of classes, workshops, meetings and shows! As I know you are all aware, this year will be quite different. There will still be classes and workshops, and shows at the gallery, but we won't be able to have our monthly members meetings because it is just not safe yet to have large gatherings. Our classes and workshops will be smaller in number, with fewer students allowed, but we are still going forward and trying our best to come up with ideas to make you all feel that being a member has value. THANK YOU to everyone who has continued paying their dues during this time. For us to be able to continue keeping the doors open, we are depending on our members to "hang in there" and support us through this crisis. Even though we feel our dues are small, when they are all added up, they amount to a third of our budget. Unfortunately, for those of you who have chosen not to renew, this may be your LAST NEWSLETTER. We are working on several new ideas and plans for the coming year, so, RECONSIDER! You won't want to miss out on the news as it happens!

Besides classes and workshops, this issue is also chocked full of information about Paint Out, the Gallery, and a "limited" art sale that will occur in the coming weeks. So, stay current! Open your "e-blasts" and go on our website, Facebook, and Instagram, to find out the latest.

As always, stay well,
Cheryl

REMINDER:

Don't forget to renew on time!!

**Artists' Workshop Members will receive 3 months free added to their membership renewal date, if done in the month due!
(For renewals April 2020 - March 2021)**

Fall Classes Update

Ruth Squitieri, Liv Witherow & Cheryl Faber

Due to COVID-19, Fall classes have been scheduled with a limited number of students/tables and extra cleaning protocols. Studio A has been designated entirely for clay at this time. The front door will remain locked to limit drop-in traffic (teachers will have a key for their classes). Hand sanitizer is available for student use. Students are requested to bring masks to be worn when they are in close proximity to another student or teacher. Every student will have to sign a liability release before they can attend a class.

Please note that due to limited seating capacity, some of the classes below have already filled up. If you are interested in a specific class or open studio, contact the instructor or call Stephanie at the office, 386-424-9254, to see if there is space available. Here's the Fall schedule to date:

Limited Art Supply Sale!

Cheryl Faber

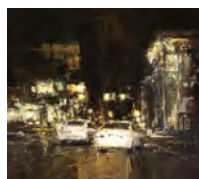

Artists' Workshop Studios

September 9th - 11th, 10 AM - 1 PM each day

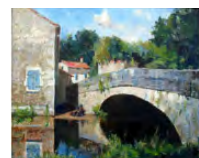

Before Covid -19 struck, we had been planning on having an "art supply sale" that members could contribute items to that they no longer needed. We have been storing some items off site, because there just isn't enough room at the studios to keep everything. That space is no longer available, so we are planning on having a three day sale, **Sept. 9, 10, 11, between 10 am and 1 pm** on each of those days. We will be selling the items that were in storage. Stephanie will be working on a list of things that will be available and will send that information out in an e-blast by Sept. 4. If you see anything you are interested in, come to the studio and look around. Please wear your mask and we will attempt to manage the flow of "buyers". **I am sorry we can't take everyone's items right now**, but, when it is deemed safe, we can try to hold another one!

10th Annual Plein Air Paint Out Volunteers Needed

We Need You!

Melissa Schwenn

We are reaching out to our membership for volunteer opportunities before, during, and after the upcoming NSB Plein Air Paint Out. This is a great fundraiser for both the Marine Discovery Center and the Artists' Workshop, as well as a great way to get outside and enjoy some great plein air art and artists.

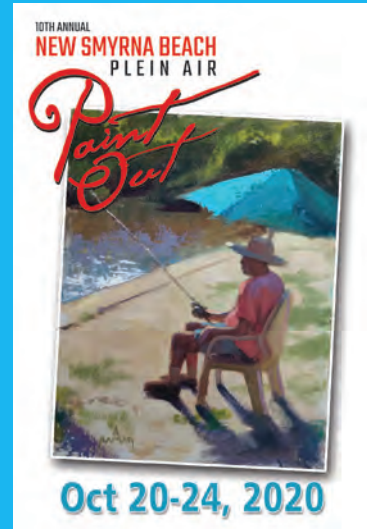

First, we want to make it clear that we have put measures in place to ensure everyone's safety. We are limiting the number of people into the gallery, all large gatherings will be outside under our pavilion, and everyone will be required to wear a mask. We will have sanitation stations throughout the gallery and pavilion, and to make it fun our final event will be a "Mask" uerade.

We have worked hard to make this event safe, fun and a success. In order to do so we need volunteers. This is where you come in. We have a variety of jobs to do. Some are a few hours, some for four days. I've completed a list below to give you an idea of each position.

Please email me if you are interested in helping and which job you feel suites you best. We will do our best to place you. I'd like to thank you in advance for your help and I look forward to working with you.

Melissa Schwenn, melissaschwenn@gmail.com, 407-415-2776.

Please browse our library shelves and check out an art book!

Book Club News: Hello all! We have suspended the monthly "in-studio" book club due to COVID 19, however, members are encouraged to continue their art-inspired reading with these latest book club recommendations:

- **"The Mistress of Paris: The 19th-Century Courtesan Who Built an Empire on a Secret" by Catherine Hewitt and Jane Barker**

Comtesse Valtresse de la Bigne was painted by Édouard Manet and inspired Émile Zola, who immortalized her in his scandalous novel *Nana*. Her rumored affairs with Napoleon III and the future King Edward VII kept gossip columns full. ("A gorgeous, smart, ambitious, hard-working, steely autodidact and businesswoman whose product was herself, Valtresse would be totally at home in our self-branding society." *New York Times Book Review*.)

- **"The Club: Johnson, Boswell, and the Friends Who Shaped an Age" by Leo Damrosch**

In 1763, the painter Joshua Reynolds proposed to his friend Samuel Johnson that they invite a few friends to join them every Friday at the Turk's Head Tavern in London to dine, drink, and talk until midnight. Eventually the group came to include among its members Edmund Burke, Adam Smith, Edward Gibbon, and James Boswell. It was known simply as "the Club." This is the story of an extraordinary group of people whose ideas helped to shape their age, and our own. (Named one of the 10 Best Books of 2019 by the *New York Times Book Review*.)

Happy September! Kathy
