From the President

Cheryl Faber

Dear Members,

We are managing to keep our doors open, classes and workshops continuing, and programs for 2020/2021 being planned, all because of our incredibly loyal membership! Thank you to everyone who has given of themselves in one way or another, to ensure that our non-profit thrives during this difficult time.

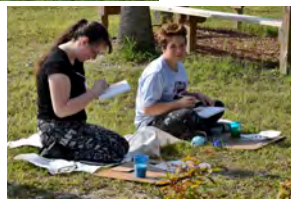

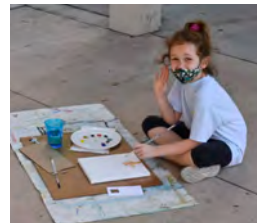

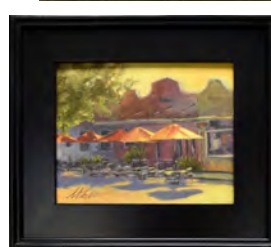

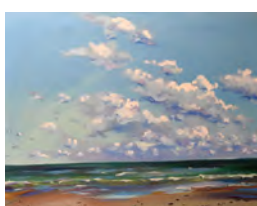

Final numbers have not been calculated yet, but it looks like this years "Plein Air Paint Out" was a definite success, even though we planned a more modest event, anticipating less attendance because of the virus.

Again, my thanks to all of our members, MDC's members and the businesses and citizens of our community for supporting this hugely popular annual event....can't wait for next year!

I cannot stress enough the importance of masks, social distancing and the use of hand sanitizers. In order to stay functioning successfully, we all need to follow these rules. With that thought in mind, the board has decided that maybe we could "pull off" a holiday luncheon and awards presentation for our "Deck the Walls" judged show on December 9....something a little more casual, under the pavilion, with bag lunches for all. Plans are in the works, so keep watching for an e-mail as soon as details have been firmed up. We will also be able to continue our tradition of collecting canned goods for those in need. Let's make this a celebration that brings us together and brings out the joy of the season!

Looking forward to Happy Holidays and a brighter future,

Cheryl Faber
