From the President

Cheryl Faber

Wishing Everyone a Very Happy and Hopeful 2021!

With the New Year comes predictions for surging cases of Covid this winter. In an effort to keep our members safe and still keep our doors open for classes, workshops and shows, the Board of Directors has voted to tighten up the guidelines to follow when you are using the studios or are at the gallery. They are as follows:

**IMPORTANT UPDATE TO
ARTISTS' WORKSHOP
COVID MASK
GUIDELINES!!**

• Wear a mask that covers your mouth AND nose in the studios at all times.

- A face shield ALONE is not enough to stop the spread unless used with a face mask.
- Stay at least 6 feet apart from people you don't live with.
- Wash your hands as needed for at least 20 seconds or use a hand sanitizer that contains at least 60% alcohol.
- If you need a break from wearing your mask, please use our outdoor space which is readily available.
- If you choose not to follow these guidelines, please wait until AFTER Covid has been contained to make use of our programs and facilities.

We all have a responsibility to do what we can to protect our friends and family from this pandemic. Following these guidelines will help save lives.

These rules have been put together from CDC recommendations based on science. We ask that our members find it in their hearts to make the best of what is not an easy situation and follow these guidelines until things become normal again.

Stay Safe and Healthy,

Cheryl

63rd ANNUAL MEMBERS' SHOW

JUDGE DAVID FITHIAN

I grew up in Daytona Beach, Florida as a creative child surrounded by creative individuals who supported my interest in art. In 1967 I attended the Art Students League in Woodstock, New York, and then went to the Pennsylvania Academy of the Fine Arts from 1968 to 1972. As a Philadelphia artist I worked in various galleries and managed the Graphics Department at Drexel University from 1974 to 1980. My first one person show was held at the legendary Painted Bride Gallery in 1975. From 1975 to 1980 I collaborated with many other artists working in various disciplines including performance art.

In the 1980's I lived in Orlando, Florida where I taught at the Crealde School of Art in Winter Park, Florida and conducted a watercolor class at the Maitland Art Center in Maitland, Florida from 1984 until 1990. In 1991 I moved to Eureka Springs, Arkansas and was a special feature writer/photographer for the local newspaper while painting, drawing and operating a commercial photography studio.

In 2000 I returned to Florida and opened a fine art gallery for a short time before becoming Curator of Art and Exhibitions at the Museum of Art - DeLand, Florida for the next 19 years. I have always had an active painting studio throughout my diverse career and exhibited regularly.

Presently I maintain a working studio and Micro Gallery in DeLand, FL. I am also currently an independent curator for the Museum of Art - DeLand for specific exhibitions. Over the last 15 years I have had the pleasure and privilege of being invited to judge and co-judge many regional exhibitions.

The 3-D pieces must be accompanied with completed labels to be placed beneath or alongside the entry. Your signed Prospectus and signed "Waiver of Liability" are required for entry. **NO LATE ENTRIES.**

One piece of artwork per person is allowed. Water media requiring covering must use Plexiglas or Acrylic. Pastel work may use glass. Proper framing requires using strong braided wire that is securely attached on the back approximately one third down from the frame top. This enables the artwork to lay flatly against the wall. No sawtooth hangers, fishing line, plastic or other materials will be accepted. **Wrapped canvases must have painted edges, if not framed. Multiples must be displayed with one hanger, (meaning all panels must be firmly connected within the 40" size limit).**

Mats must be white (preferred), off-white, gray or black. Simplicity in framing is critical when judging. Size limitations apply. Work weighing more than 25 lbs. cannot be hung with our setup and will not be accepted. **No 2-D artwork can exceed 40" in any direction including the frame. 3-D artwork must fit on a pedestal and be no wider than 18"**, with a few exceptions determined by the Members show chairman. Clay pieces require felt pads to protect the glass or wood surfaces for display. Smaller works are encouraged to enable as many members to participate in the show as space allows. **Multiples of 3-D artwork must be connected on a base within the 18" size limit.**

4. Artwork found to be copied from other artists' work will forfeit any awards.
5. We reserve the right to remove any entry not in compliance with eligibility rules. No refund will be issued.
6. "Waiver of Liability" forms must be completed upon entry of artwork. We handle all artwork with a great deal of care but cannot be accountable for loss or damage. You may insure your artwork. The Artists' Workshop mourns the loss of former AWI President (1994-1996) and longtime member Frances Crawford Fixaris (89) who passed away on Friday, December 18, 2020 in New Smyrna. Our deepest sympathies go out to all her family and friends.

Frances Crawford Fixaris was born October 19, 1931 in Sunbury, Pennsylvania. She grew up living with her parents, brother and sister in Sunbury and then Berwick, Pennsylvania before going to Susquehanna University. She graduated from Susquehanna receiving her bachelor's degree in music performance and education. Fran taught music in Pennsylvania, Missouri, New York, New Jersey, and Florida. She also had a career in broadcasting working at station WVII or channel 7 in Bangor, Maine, even having her own show called Fran's World. Fran sang in many places including in New York City for Leonard Bernstein and in Miami for the Opera Guild of Greater Miami. Later in life Fran became a watercolor artist working with the Artist's Workshop in New Smyrna Beach. She particularly liked to see the colors in the world around her and she liked to play the Bach suites on her piano. Fran loved her music, her dog, her friends, the beach, and living in New Smyrna Beach. Frances was predeceased by her parents Homer and Frances Drumm, her two husbands, and her brother and sister.

In Memoriam

Elizabeth "Sissie" Barr

The Artists' Workshop mourns the loss of Elizabeth "Sissie" Barr (94), a longtime member and benefactor who passed away on December 29, 2020. Our deepest sympathies go out to all her family and friends.

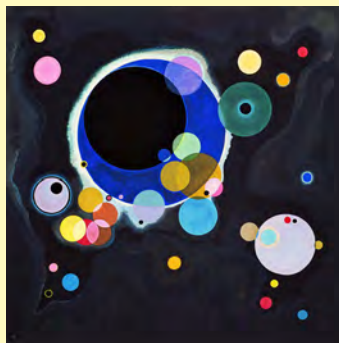

Sissie was a native Floridian and never tired of sharing her love of Florida through her contemporary impressionistic paintings. When she moved to Winter Park, she generously offered many of her art materials to members of the Artists' Workshop. She and her husband, Graham (also deceased) were prominent donors in the support of the Artists' Workshop effort to obtain an ECHO grant. The project was a success and resulted in obtaining the current location for both the Artists' Workshop and the Marine Discovery Center. For a complete discussion of her life and her work, please contact the New Smyrna Museum of History (January, 2021 Newsletter, NSMofHistory@gmail.com).

Artist Inspiration:

(left) Wassily Kandinsky, "Several Circles", 1926
a few words on...Kandinsky, one of the founders of abstract art, "chose the form of circles in this painting to focus on color, scale, and composition. The circles seem to move around the canvas, interact with each other as the hues promote emotional harmony. The dynamic movement of the round forms evokes life itself---from the stars in the cosmos to water droplets on a leaf." (Emma Taggart, mymodernmet.com)

The history of art is inseparable from the history of color. And what a fascinating story they tell together.
