# From the President

Cheryl Faber

Dear Members,

Lately, I have been running into AWI members around town whom I haven't seen since Covid started. It's been nice, and has made me think about next year and my hope that we'll be able to start Membership meetings again in September and be able to have more events that people will feel comfortable attending. Getting vaccinated has been important, but also knowing that wearing a mask and social distancing will still be a part of our lives for a while, will be imperative in keeping us all safe. Following these guidelines has allowed us to stay open and provide limited classes and workshops. I hope our newsletters, eblasts, and Facebook and Instagram postings have helped you to stay connected with AWI. Your Board of Directors has already started planning for next year and we are looking forward to getting us all together again soon!

Cheryl

At programs' end, we welcome you to stay and remember Sissie

**Elizabeth "Sissie" Barr** passed away on December 29, 2020. She was 94. Sissie was a modern Impressionist, spending many of her most prolific years in her beloved New Smyrna Beach. Her passion was art, but her philanthropy involved a concern for the hungry. It was Sissie's wish for her art to be a vessel for procuring funds to feed the hungry and that no one should go to bed hungry.

The auction will include a limited number of Sissies' paintings, and works of other prominent artists:

Shy Morris - Richard Collison - Linda Hoffmeister - Sandra Lloyd  
Nancy Neel - Teresa Bowen

Scott Hiestand - Barbara Ortiz - Trish Beckham - Betty Parker  
Mary Gerlach - Patrick Rausch - Cathy Berse

## New Artists' Workshop Community Project: Habitat for Humanity - "A House is not a Home...Without Art!"

Starting in June 2021, the Artist's Workshop will be making a donation of original art to every family who is moving into a Habitat for Humanity home in our immediate area! Each family will get to choose a painting/ photo/ artwork from a curated selection, created and donated by our generous members. We are actively soliciting donations from our members to launch this program in June, and which we hope will be continuing for the foreseeable future. As many of you know, artwork helps make a house a home, but it's often one of the last things that gets purchased when a new home owner is on a budget. We know that many of our artists have paintings, prints and other artwork stacked up in their studios, just waiting for walls to grace, and people to appreciate, and we are confident that many of you will be willing to help a family just starting out in their first new home. Habitat for Humanity helps approximately a dozen local families over the course of a year, and by working with their organization we can become part of welcoming them into our local communities. Guidelines will follow as we develop the particulars, but please start thinking now about parting with one of your unique works, so that it may be hung and enjoyed in a new home in the coming months! Watch for more information soon, and if you have a piece to donate contact Stephanie at [stephanie.artistsworkshopnsb@gmail.com](mailto:stephanie.artistsworkshopnsb@gmail.com).

## The Gallery on Canal St.

Liz Clayton

We had a large attendance at the First Saturday opening night at the Gallery on Canal for the "For the Birds" show. Many people told me they thought it was our best show ever so I hope everyone will find time to come and see it. The quality of work in this show is outstanding! You DEFINITELY don't want to miss the bird sculptures by Scott Hiestand! We already had two sales from the new show: Congratulations to Maggie Arndt who sold her watercolor "Cuddle Up", and Mark Roberts who sold his oil painting "Awake".

Congratulations to Jennifer Elmquist on the sale of two paintings, "Ocean Blue" and "Morning Tide", out of the last "Artists' Choice" show as well as receiving a commission for two paintings from a third customer. Also congratulations to Valeh Levy on the sale of her painting, "Ponchito"; Joye Shaffer sold her two paintings, "Celtic Art in Metalwork 1 and 2"; and Bob Grayson sold his colored pencil piece, "The Balloon Festival".

Our current show, "For the Birds," will be up until June 2. After that we will have a one month "Artists' Choice" show again during June. We will finish out the summer with another themed show called, "From Sea to Shining Sea," which will encompass all things American. Be thinking about American landscapes, our national parks, American culture, traditions, holidays and symbols, and of course the American flag. That show will run during July and August. September we'll have another "Artists' Choice" exhibit.

I still have people emailing me to ask about drop off and delivery dates. Please be advised that these dates are ALWAYS listed on the calendar page of our newsletter.

### 11th Annual "Art Is...Creation" 2021 "Modified" Summer Art Camp

The Artists' Workshop does plan to host the "Art Is... Creation" Children's Summer Art Camp this year in June. Due to the pandemic, however, the camp will be modified/limited for the health and safety of all. There will be a limit of 12 campers each week, and of course, the teacher and adult volunteers. Masks will be worn and all projects will be taken home at the end of the week long camp. The camp will occupy Studios B and C. Studio A will still be open for clay classes and Studio D (and the Library) can be used for teachers who would like to hold smaller classes that month.

If you are interested in volunteering during any of the following weeks, please let Regina or Stephanie know. The camp has been such a positive activity for our organization and provides a wonderful opportunity for the children in the community, that we just did not want to see it fall by the wayside. So, we won't be totally closed for adult classes in June, and, as usual, the studios will be open for all classes and open studios in July and August.

It's time to reserve your space at "Art Is...Creation" 2021 Summer Art Camps. (Limit 12 per class)

- **KIDS CREATE** (2nd thru 5th Grade - \$125/week)  
Two weeks: **June 7 - 11, 2021 10 AM to 2 PM**  
**June 14 - 18, 2021 10 AM to 2 PM**
- **TEEN EXTREME** (6th thru 12th Grade - \$125/week)  
Two weeks: **June 21 - 25, 2021 10 AM to 2 PM**  
**June 28 - July 2, 2021 10 AM to 2 PM**

Two weeks each of non-stop fun creating Fine Art. The Camp location is at the Artists' Workshop Studios in the same building as Marine Discovery Center at 540 Barracuda Blvd. Visit the Art Is...Creation website at [www.artiscreation.org](http://www.artiscreation.org).

## Community Exhibits

Bob & Patty Stinziano

Joye Shaffer has an exhibit located in the center of the New Smyrna Library. The exhibit is based on the history of the Celtic people. Joye researched many sources to get the information for The Celtic Story she has put together. Along with her Celtic Story is her colorful artwork. The exhibit is set up so that you can look at her wonderful art work and read the history that goes along with the paintings. This exhibit is both informative and beautiful. The exhibit will be on display until April 15th so make sure you stop by to see it. You'll be glad you did.
