The Artists' Workshop will be co-hosting this year's New Smyrna Beach Paint Out with the Marine Discovery Center, October 19-23! This is AWI and MDC's only fundraiser for the year so be sure to join us! The Collector's Reception is a huge fundraiser. All artworks are 100% donated so all proceeds go to MDC and AWI. (We've posted the complete schedule of events at right, so come out and support the artists.) Twenty artists will be returning to New Smyrna Beach to once again paint our lovely locations, provide free demonstrations, and mingle with the community. A big Thank You goes out to **Brown & Brown Insurance** for their major sponsorship of the Paint Out this year!!

It's not too late to become a Paint Out Patron - deadline Oct. 15 - which gets you credit towards art purchases and admission into some fun private events! To become a Patron or to find out more information about the Paint Out, see the website at NSBPaintOut.com.

Many thanks to those who have already volunteered to help out during the Paint Out. We could still use some volunteers so please contact Melissa Schwenn, melissaschwenn@gmail.com, if you want to volunteer.

From the President

Cheryl Faber

Dear Members,

Welcome Back! Hope everyone has found time over the summer to rest, recharge their batteries, spend time with loved ones and create! It seemed that nothing really stopped at AWI....we had a full summer of classes, kids camp, planning for the fall and even an August Workshop. As you all are aware, Stephanie Kelly, our very first administrative assistant, left us to "follow her heart" to Arizona. We have been lucky enough to find two extremely qualified and talented women to "job share" that position.

Charon Luebbers, is an artist, as well as an arts educator. She has been involved with many Volusia County arts organizations including the Volusia County Cultural Alliance, Atlantic Center for the Arts, Art Haus, Very Special Arts, The Peabody, and the Volusia County Schools art-in-public places program. You get the idea! Charon is committed to art and will bring many great ideas and her endless enthusiasm for art to AWI.

Tina Pritchard, has a strong and diverse background in business development, management, and communications. She worked for a longtime in the corporate world, but missed being involved in her community. Making her decision to stay local, she started out selling real estate, volunteering at ACA and The Hub, and even worked for The Hub for a while. Tina's organizational skills, business knowledge and involvement with the community make her a wonderful asset for AWI.

Both women are here for you: To greet you with a smile, answer your questions and keep us all organized. Please welcome them warmly when you get a chance to meet them!

Cheryl

P.S. I am happy to report that Stephanie is extremely happy, and as she says, is "back in her element" teaching art at an elementary school. It was a good move for her....as always, we wish her nothing but the best.

PLEASE, PLEASE, PLEASE get involved with the Paint Out this year! It is our major fund raiser and a heck of a lot of fun!

Joe Palmerio: October 16-17, 2021 "Landscapes" (oil/acrylic)

Landscape Painting begins with Composition, followed by Values, then Temperature, Color and Texture, (i.e. brushwork), complete the painting. These are the essential elements that make for a dynamic picture. The workshop will emphasize these basic components. We will explore a variety of approaches to utilize in composing a picture. We will start with a two color palette for a quick warm up and then proceed to a variety of color coordinated palettes. Website: www.palmerioart.com/

MDC Director, Chad Truxall, gave a thorough overview of the history and future of the MDC/AWI partnership and stewardship of the site, to the AWI Board of Directors in September.

- **Here are some highlights of his presentation:**

We moved onto the site ten years ago in 2011 chosen by the FWC Foundation to lease the property; together we qualified for and fulfilled an ECHO grant to demolish the then existing buildings and restore the current building (Phase I). Chad explained that the mission for the FWC Land Conservation and Deed Restriction is three-fold: research, education and recreation. Over the years MDC and AWI have worked together to better incorporate the Arts component of STEAM and build community involvement.

Under a second ECHO grant, Trails, Amphitheater and Restoration Plantings were accomplished in 2014 (Phase II) In 2019, another ECHO grant allows for reconfiguring the green space including major landscaping and upgrading of the existing Pavilion and building of a new Pavilion Entrance to MDC (Phase III). Chad described Phase IV plans would include a Nature Play Scape and perimeter control of the property to include fencing and berms for safety against vandalism and unauthorized use. Looking out 10-20 years, Chad mentioned that Phase V may include applying for a multi-year ECHO super grant and launching a capital campaign to expand support for the organizations and site management.

Chad explained that 3 years ago, MDC was elevated to the position as lease holder negotiating a lease through May 2058; with this new lease/position comes more responsibilities and more autonomy. Chad noted that AWI's lease is coming up early next year and we are in the process of negotiating a longer-term lease to better align with MDC's lease.

With this background, Chad emphasized the importance of Visioning/Planning for the future development of the site with both organizations in mind. MDC has begun a strategic planning process and Master Site Planning Process and invited AWI to do the same. AWI president Cheryl Faber has begun to convene a Strategic Planning committee.

The Gallery on Canal St.

Liz Clayton

The current show, Artists' Choice, runs through Sept. 29. Congratulations to Valeh Levy on the sale of her painting, "Marsh Marigold Bloom" and Susie Means on the sale of two clay pieces from our new clay shelf.

Pick up for the current show and delivery for the Oct./Nov. show, "Something Yellow" will be on Sept. 30 from 11 AM- 2 PM or Oct. 1 from 9-11 AM. Please send your label information to me NO LATER THAN SEPT. 29 so that I will have the labels on Oct. 1 when we begin hanging the show. NO EXCEPTIONS! Label information includes:

Title / Medium / Size including frame / Price (paintings must be for sale) / Your name

The last show for this year is our annual small works judged show called "Deck the Walls." Painting or photograph size can be NO LARGER than 8"x 10". (This is a change from last year since I am not concerned about the frame size, just the actual image.) Entries for Deck the Walls should be no more than two years old and not shown in any previously judged show. Also, for a judged show you MAY NOT COPY from a published photograph. This show takes place in December. Judging will take place on Mon. Dec. 6th. Awards will be presented at the Holiday luncheon, Dec. 8th.

Be thinking ahead to next year! Our first gallery show in 2022 for Jan./Feb. is called "Big and Beautiful." I want to give our members who just have to paint BIG an opportunity to show their work. Painting size must be a minimum of 36" in one or more directions, and if framed, no larger than 46". The gallery can accommodate a couple of paintings larger than this. Obviously this will limit the number of paintings that will fit in the gallery. There will be no featured artists for this show, a limit of one painting per artist, and a \$10 entry fee to cover the cost of advertising.

I hope this line up (at right) will give all of our members an opportunity to share their varied talents and subject matter.

Liz Clayton, Gallery Chairman, gramclayton@gmail.com, 386-427-3996.

"BIG AND BOLD ABSTRACTS"

JANUARY - FEBRUARY 2022:

During the months of January and February, 2022, our Studio Gallery, 540 Barracuda Blvd., will be presenting a show entitled "Big and Bold Abstracts". This show will run around the same time as the Canal St. Gallery's "Big and Beautiful" show, giving our artists who love to paint large many opportunities to show their work.

As noted in the title, the studio gallery show will be limited to Abstract art and will be co-chaired by Nancy Hagood and Carson Kapp, with Joanne Reilly, chairman of our studio gallery giving assistance. If you are interested in participating in this show, here are the facts you need to know.

1. The dates of the studio show will be Sunday, January 23, 2022 for drop off, with pick up being Sunday, February 27th. A "Meet the Artist" opening reception will be on Saturday evening, January 29, 2022.

2. Please let us know by Wednesday, November 17, 2021 if you would like to be in the show. Entry will be decided upon by "first come, first serve", since there will only be room for about 22 large paintings. One side of the artwork has to be a minimum of 36 inches, but no larger than 60 inches. This will not be a judged show, and prizes will not be awarded. The \$10 entry fee (per painting) will be used for extra publicity, to 'hopefully' get more of the community out to see our shows!

3. After the first 22 artists have signed up, more details will be sent to those participants. This should be a fun event and a chance to show off your work. Send your commitment to participate to artistsworkshopnsb@gmail.com by NOVEMBER 17, and include the size of your work if known and your email address and best contact number. This is only open to members, but act quickly to reserve your spot!

"MEMBERS' SHOW", MARCH 2022:

The "Members' Show" will again take place in March and we plan to close out the year with a "Student Show" to follow. Dates have not been decided upon yet.

In Memoriam

Lola Marquette Lawrence

The Artists' Workshop mourns the loss of longtime member Lola Lawrence, who passed away on Saturday, August 28, 2021 from the Corona virus at the age of 87. Our deepest sympathies go out to all her family and friends.

Born in Lewiston, Maine on August 5, 1934, she attended Rivier University in New Hampshire and completed her studies with a Bachelor's Degree in Fine Arts, with Honors, from the University of Central Florida. Lola was a gifted artist, of painting, sculpting and photography. She is well known throughout the art community in Florida and won many national and state awards for her talent. One of her most beloved and personal family art photos proudly still hangs in the Smithsonian Institute in Washington, D.C. In her early years as an artist, she developed in her own dark room, using black and white photographic techniques which were cutting edge technology of that time. She founded the Southeast Volusia Camera Club in 1993, where she remained active as their President and Director until her recent retirement. She was a longtime member and exhibitor of the "Artist Workshop" in New Smyrna Beach, "The Daytona Art League" and the "Merrimack Valley Camera Club" in Massachusetts.

She is survived by her husband Fred Lawrence and her two children Marcus Thompson and Nila Thompson. She has joined her youngest child Gerry Lawrence, who also passed away from the Corona virus on August 16, 2021.

In Memoriam

Marlene A. Veite

The Artists' Workshop mourns the loss of former AWI president (1996-1998) and longtime member Marlene Veite. Our deepest sympathies go out to all her family and friends.

Marlene A. Veite, age 87, of New Smyrna Beach, died Friday, September 10, 2021 at her residence. Born in Cincinnati, Ohio to Fredrick Duane and Edith Hopkins Forste, Marlene came to the area in 1988 from her birthplace.

A homemaker, she was a member of Lighthouse Worship Center, New Smyrna Beach and loved her church and church family. She enjoyed Mission Trips, traveling overseas, painting and photography. Marlene was the President of Artist Workshop on Canal and received an AS degree in Arts from the College of Mount St. Joseph. She was a devoted wife, mother, grandmother and great grandmother that will be dearly missed by all that knew and loved her.

Survivors include her 6 children, Charles, Thomas, Carol, Stephen, Robert and Margie; 15 grandchildren; 8 great grandchildren; and brother, Stuart Duane Forste.

Oct Book Club Meeting, Thursday, Oct 28th, 11 AM:
(Under Studio Pavilion)

"Sunflowers: A Novel of Vincent Van Gogh"
- by Sheramy Bundrick.

"Art historian Sheramy Bundrick's 'Sunflowers' is an arresting and beautiful tale of a young French prostitute's passionate, doomed relationship with a troubled artist. Vividly evoking a bygone time and place, Bundrick brings her characters to breathtaking life as she seamlessly blends historical fact with riveting speculation. Sheramy Bundrick's exceptional debut, *Sunflowers*, will linger long in the mind like a breathtaking landscape or an exquisite portrait done in oils."
